

Ambulance Service Needs The Help of All Residents

Hampden Twp.'s Emergency Medical Services, which answered more than 2,500 calls for help in 2008, has begun its annual drive for family/individual subscriptions and donations to finance operations for the 12-month period beginning Sept. 1.

The EMS organization provides emergency medical coverage 24 hours a day, seven days a week to residents and visitors of the Township and neighboring Shiremanstown and other commu-

nities. Subscribers also receive service from West Shore Advanced Life Support (ALS).

Annual membership fees are \$65 for a household and \$60 for an individual. The fee provides unlimited emergency calls for residents and ALS. The Township also partially funds operational expenses.

Additional services include lectures on EMS, ambulance

Holiday Trash Collection

The collection of trash and recyclables will be collected a day late the week of Sept. 7 because of the Labor Day holiday.

Residents are asked to place trash in weatherproof containers **on or behind the curb** before 6:30 a.m. the day of their trash collection, but no earlier than 6 p.m. the night before, to ensure it will be picked up.

Recyclables are to be placed in containers provided by the Township. **Containers should not be placed on a roadway.**

Curbside collection of bundled yard waste will continue until Oct. 31. Tree limbs cut into lengths of up to six feet and bundled for one person to carry will be picked up during regular trash collection by a different truck.

York Waste has announced that it will now pick up corrugated cardboard that is flattened and bundled and doesn't exceed 3 feet by 3 feet in size. The cardboard will be collected with recyclables.

demonstrations, standby services for community activities and free blood pressure screenings.

William Cook, who heads the EMS Department, said despite reductions in reimbursements from insurance companies and Medicare, subscribers will see no changes in coverage.

The EMS, he said, depends on annual subscriptions "to provide a consistently high standard of around-the-clock emergency medical services."

Cook said a fully equipped Township ambulance costs approximately \$210,000 and is staffed by specially trained EMS professionals, who are continually educated on how to manage all types of emergency medical and trauma-related situations.

The Township EMS, founded in 1975 and licensed by the State Department of Health, now has a crew stationed at the Emergency Services Building North on Good Hope Road, in addition to its headquarters station on Sporting Hill Road.

All households will receive a subscription mailing in July or August. Call 761-5343 for more information or to request a subscription form.
